

## TABLE OF CREMATIONS CARRIED OUT IN THE BRITISH ISLES 2020

- \* Basic Cremation Fee comprises **standard** cremation fee plus Medical Referee's fee and environmental surcharge (if applicable).
- \*\* The Total Crematorium Charges comprise the **standard** cremation fee plus Medical Referee's fee and environmental surcharge (if applicable), plus music (recorded or organ), scattering/strewing of ashes (not witnessed)  
Direct Cremations (no service or mourners) are included in total cremations
- \*\*\* The 2020 direct cremation figures should be considered with regard to the limitations and restrictions imposed by the COVID-19 pandemic. Where chapels may have been closed or it was not possible to offer a full attended service due to restrictions, some crematoria may have recorded those cremations as direct cremations. Similarly, mourners may have been unable to or chosen not to attend a funeral due to isolation, restrictions on numbers, or restrictions on travel, which will also have impacted on the direct cremation figures.
