

Table of Cremations Carried out in the British Islands 2021

* The 2020 direct cremation figures should be considered with regard to the limitations and restrictions imposed by the COVID-19 pandemic.

** Basic Cremation Fee comprises **standard** cremation fee plus Medical Referee's fee and environmental surcharge (if applicable).

*** The Total Crematorium Charges comprise the **standard** cremation fee plus Medical Referee's fee and environmental surcharge (if applicable), plus music (recorded or organ), scattering/strewing of ashes (not witnessed).

Direct Cremations (no service or mourners) are included in total cremations.

N/R (Not Recorded). N/O (Not Offered).

The table of cremations only includes those crematoria which have carried out cremations during 2020/2021. A full list of crematoria opened to date can be found on our website. In some cases figures may show an increase/decrease caused by the closure or restricted service of individual or neighbouring crematoria, as a result of operational disruption (for example refurbishment or emergency works).
